

TurfPride Core Collector

Andalusia, Alabama 36421 • Phone: 800-426-3634 or 334/488-3939 • turfprideusa.com

PRODUCT INFORMATION:

The Turf Pride "Core Collector" is an accessory that can save you time and labor costs when core removal is necessary after aeration. As your aerifier is operating, the Core Collector picks up, contains and moves the cores to the collar and when lifted to make the next pass the cores are deposited on the collar. The Core Collector can be mounted in a matter of minutes on walk behind and tractor drawn aerifiers. Removal is just as simple and can be stored easily with virtually no maintenance required. When you want to save time and money on the most labor intensive job on the golf course remember to look at Turf Pride and purchase a Core Collector. *"You can't afford not to own one".*

The Core Collector can be mounted on the following walk behind, 3PT hitch and tow behind aerifiers:
