PowerEdge Reel Sharpener

ProEdge Bed Knife Sharpener

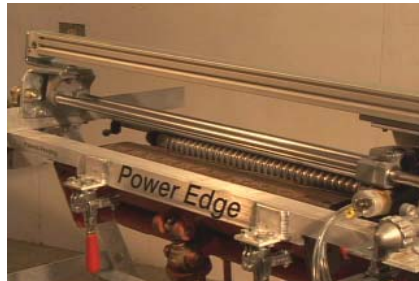

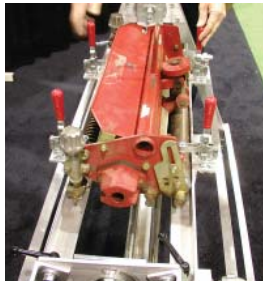

www.turfprideusa.com

PowerEdge Reel Sharpener

- Quick reel set-up, no special tools, just "snap" it in place
- Sharpens reel without need to disassemble reel unit, leave rollers and bed knife in place
- Sharpens most greens, tees, light weight fairway and walk behind professional mowers
- Stone turns perpendicular to the reel (Patent Pending feature)
- Eliminates "impact" grinding associated with conventional reel grinders
- No stress to reel bearings, seals, shaft and frame
- All Aluminum frame
- Pneumatic motors - NO electric switches, sensors, circuit boards, micro switches, fuses, or wiring connections

!!! NO ELECTRIC SHOCK !!!

ProEdge Bed Knife Sharpener

- Sharpens top face and front edge
- Bed knife held in place with two modified mechanical "C" clamps
- Pneumatic motor
- Special composite stone grinds without creating excess heat
- Fully automatic (optional)
- All aluminum
